Orders

How do I place an order?

Simply browse our catalogue at bloomly.co, add items to your cart, and proceed to checkout. You can pay via credit/debit card, PayPal, Apple Pay, or Google Pay. You will receive a confirmation email within minutes of placing your order.

Can I change or cancel my order?

You have a 1-hour window after placing your order to make changes or cancel. Head to My Account > Orders, select the order, and click Edit or Cancel. After 1 hour your order enters our fulfilment process and changes are no longer possible.

I placed an order but never received a confirmation email. What should I do?

First check your spam/junk folder. If it's not there, log in to your account and check the Orders section. If the order shows there but you still have no email, contact us at hello@bloomly.co and we'll resend it straight away.

Can I place an order without creating an account?

Yes! You can check out as a guest. However, creating a free Bloomly account lets you track your orders, save wishlists, earn Bloom Points, and get faster checkout next time.

What happens if my parcel is lost or damaged?

We're really sorry if that's happened! Please contact us within 14 days of your expected delivery date at hello@bloomly.co with your order number and a photo if the item is damaged. We will arrange a replacement or full refund as quickly as possible.

Returns & Refunds

What is your return policy?

We offer a hassle-free 30-day return policy. Items must be in their original, unused condition with all tags attached. To start a return, visit My Account > Orders and click Return Item.

How long does a refund take?

Once we receive your returned item and inspect it (usually within 2–3 business days), your refund will be processed to your original payment method within 5–7 business days. You'll receive an email confirmation when your refund is on its way.

Do I have to pay for return postage?

If the item is faulty or we made an error, return postage is on us. For change-of-mind returns, a £2.99 return label fee is deducted from your refund.

Can I exchange an item?

Currently we don't offer direct exchanges. The quickest way to get the right item is to return the original and place a new order. Your refund will be processed as soon as we receive the return.

Products

Are your products sustainably sourced?

Sustainability is at the heart of what we do. All Bloomly Own Brand products are made using ethically sourced materials and we're proud to be certified by the Good Shopping Guide. Third-party brands on our platform must meet our Supplier Code of Conduct.

Are product sizes true to size?

We include a detailed size guide on every product page. If you're between sizes, our recommendation is noted in the product description. Still unsure? Drop us a message on live chat and we'll help you pick the right fit.

How do I know if an item is in stock?

Stock levels are shown in real time on each product page. If an item is sold out you can tap 'Notify Me' to receive an email the moment it's back in stock.
